EXHIBITOR PROFILE
BUILDERS MYANMAR 2019

CONSTRUCTION & BUILDING EQUIPMENT

- Earth Moving Equipment - Backhoe Loaders, excavators, Front end Loaders, graders and Dozer.
- Vibratory Soil compactors for earthwork, Vibratory tandem Rollers, Pneumatic Tire rollers for asphalt work in Road Construction.
- Paving Equipment for Rigid and Flexible pavements, track laying, Road Maintenance pavement and Grouting Work.
- Integrated concrete and Bitumen Batching and mixing equipments.
- Mobile and stationary Crushing Equipment package comprising of different stage crushing, screening and grinding for producing aggregates and sand.
- Material handling equipment like cranes, forklifts, hoists, and Rough terrain transport system for the Production and Conveyance of RMC, Bitumen and earth at the job site.
- Hydraulic and pneumatic Drilling equipment. Slope stabilisation drills with accessories like DHDs, Drifters, concrete pumps, Retracting tools, Rock Breakers for demolition and secondary breaking.
- Sewer construction and maintenance systems, conduit construction systems.
- Plant and Machinery for tunnel and gallery construction.
- Trenchers, Underground Cable-Laying, Pipe Laying, Drainage and Trench digging Equipment.
- Prime movers like Engines, and Hydraulic Power Transmission products.

- Utility equipment like Portable light Towers, Portable / Stationary Generators, Air compressors, Plate compactors, walk behind rollers, Skid Steer Loaders.
- Spare Parts and accessories like pneumatic valves and Hydraulic pumps and motors, Pneumatic, Hydraulic, Electrical tools required for maintenance to support high value Construction Equipment for optimum performance.
- Fluid Engineering and Sub-assemblies for Construction Industry.
- Site Installations.
- Safety devices.
- Quality control equipments, systems, standards, Testing methods, Measuring & Control instruments and Surveying Equipment.
- IT for Construction for integrated project management and accounting.
- Railway track Laying Machines.
- Automatic Control Systems.
- Emergency Management Technology
- Facilities Management
- Construction Tools
- Trucks and Specialist Vehicles
- Building Materials
- Aluminium Frames & Structures
- Adhesives and Sealants
- Architectural Finishing Products
BUILDING MATERIALS

- Ceramic Tiles
- Doors & Windows
- Engineering & Design Services
- Environment Protection Equipment
- Facades & Cladding
- Fasteners
- Glass & Glazing
- Gypsum Products
- Interior Decorative Products
- Landscaping and Garden Ornaments
- Locks & Handles
- Masonry-Bricks, Block work, Cement
- Nuts, Bolts, Screws, & Hinges
- Paints
- Precast Concrete Structures
- Props & Beams
- Protective Coatings, Powder
- Sanitary Fixtures & Appliances
- Scaffolding, Formwork and Shuttering
- Security & Safety Systems
- Solar Systems
- Stamped Concrete
- Steel Products
- Street furniture- Signage & Signs
- Swimming Pools and Pool Accessories
- Timber- Frames, Beams
- Wall covering- Finish external and internal
- Water & Heat Insulation
- Wood Products
- Aggregate
- Concrete Products

ORIGIN OF EXHIBITORS

( Including principals)

Austria  Bangladesh  Czech Republic  China
France  Germany  India  Indonesia
Italy  Japan  Malaysia  Republic Of Korea
Myanmar  Singapore  Taiwan  Thailand
USA  Turkey

Total Number of Visitors : 3254
International Visitors : 753  Local Visitor : 2501
### Highlight of the Event

- Technical Seminars
- B2B Business Matching
- Conference and Panel Discussion
